Welcome address by the Mayor of Leonberg Martin Georg Cohn

at the club championship show for Leonberger dogs

Dear friends of our 'Leonbergers',

It is my great pleasure to welcome you once again this year to a highlight in the calendar of all dog lovers: the Club Winner Show of the German Club for Leonberger Dogs e.V. Here, in the birthplace of this extraordinary breed, we celebrate not only the fascination and beauty of the Leonberger, but also a living tradition of our city.

The close connection between Leonberg and Leonberger dogs is still evident today. Since Heinrich Essig established the breed in the 19th century, these imposing yet gentle dogs have carried the name of our city out into the world – as proud animal ambassadors.

The Club Winner Show at Bettelmannsreute/Leonberg offers breeders, participants and guests from many countries the opportunity to exchange their expertise and share their passion for this special dog breed. The competition includes prestigious titles such as Club Junior Winner, Club Winner, Best Junior Dog, Best Veteran, Best Dog of the Opposite Sex and Best Dog of the Breed. In addition, the titles of Club Champion and German Kennel Club Champion are awarded, as well as Junior Champion and German Veteran Champion – proof of the high breeding quality and importance of this event.

My special thanks go to all the volunteers and judges who ensure that everything runs smoothly with their great commitment and expertise. Their dedication contributes significantly to Leonberg becoming the meeting place for the international Leonberger family year after year.

I wish all breeders, exhibitors and visitors an eventful and unforgettable time. May the Club Winner Show help to further strengthen the close bond between the city and dogs and pay tribute to the uniqueness of this breed.

Warm regards

Yours

**Welcome address
by the President of the German Club for
Leonberger Dogs e.V. (DCLH)
Klaus Haase**

at the club championship show for Leonberger dogs

Dear exhibitors and friends of Leonberger dogs,

On behalf of the board and members of the DCLH e.V., I would like to welcome you to this year's Leonberger Dog Club Winner Show. We are delighted that you have accepted our invitation to Leonberg and would like to thank you for registering yourself and your dog for our show.

We wish your dog a good assessment and the highest possible ranking. In any case, there are only winners, because the presentation of our beautiful, strong-willed and loving Leonberger dogs not only promotes awareness of the breed, but also helps to increase the acceptance of large dogs among the general public.

We would like to welcome the judges Ms Magdalena Hiltbrunner from Switzerland, Ms Maria Kerekes from Hungary and Mr Daniel Krebes from Germany. We wish them a keen eye in judging the dogs.

We would also like to express our sincere thanks to all the volunteers and helpers who have organised the show in every way. Without their help and commitment, it would not be possible to hold this event. The entire Club Show 2025 team wishes you all a pleasant day and lasting memories of the event.

Klaus Haase
1st Chairman (President)
Deutscher Club für Leonberger Hunde e.V.

Welcome address from the exhibition management of DCLH e.V. Claudia Dusch

at the club championship show for Leonberger dogse

Dear exhibitors,
Dear guests and friends of the Leonberger,

Welcome to the Club Winner Show of the German Club for Leonberger Dogs e.V.!

It is a special pleasure for us to welcome more than 20 nations here today, united by their enthusiasm for an extraordinary breed whose appearance, character and history connect people all over the world. Today, these proud lions from all over the world are impressively demonstrating what makes the Leonberger so unique, right here in its homeland.

My sincere thanks go to you, dear exhibitors, for your participation and the passion with which you prepare and present your dogs and are connected to the Leonberger community.

A big thank you also goes to those who contribute to the success of this event with their dedication behind the scenes:

First and foremost, Denise, Michael, Marco and Michael at the registration desk, who ensure that everything runs smoothly with their overview and calm manner. A big thank you also goes to our helpers Tanja, Sabrina, Steffi, Marion, Geo, Christine and Stefan, who work hard in the rings to ensure a fair and organised competition. And last but not least, thanks to the countless helping hands of the Baden-Württemberg regional group, who work behind the scenes, lend a hand, organise and make this event possible – often without being in the spotlight themselves.

We are particularly pleased to welcome three internationally experienced judges this year:
Ms Maria Kerekes, Ms Magdalena Hiltbrunner and Mr Daniel Krebs.

We wish them a keen eye, good instincts and enjoyment in judging the impressive dogs that will be presented here.

For me personally, this Club Winner Show is a special honour: for the first time, I have the privilege of organising and supervising this event as the exhibition representative of the German Club for Leonberger Dogs e.V. I am filled with pride and gratitude to be part of this community and to be able to shape this day together with all of you. Now, dear exhibitors, I wish you a successful, harmonious and unforgettable show day. May your dogs shine in the best light today!

With warm regards

Claudia Dusch

Veterinary regulations

Subject to further measures by the Veterinary Office regarding the Animal Welfare Dog Ordinance §10 (2), the following applies as binding, based on current knowledge, even for dogs that are not exhibited:

Dogs brought to this event must have been vaccinated against rabies at least 21 days in advance. Proof must be provided in the form of a pet passport or, in the case of foreign dogs, official proof from the vaccinating vet. This waiting period does not apply in the case of a timely booster vaccination. Dogs must have been at least 12 weeks old at the time of the initial vaccination. Puppies under 15 weeks of age cannot meet these requirements. The rabies vaccination is valid for as long as specified by the vaccine manufacturer.

Subject to change.

Tierärztliche Betreuung Veterinary care

The 'Kleintierpraxis am Engelberg' veterinary practice will provide emergency veterinary services and issue stamps for the return of dogs belonging to our international exhibitors. **The meeting point for stamp issuance is at the exhibition office from 3:30 p.m.**

Competitions

(Registration is possible on site until 1 p.m.)

Breeding groups Competition

A breeding group consists of at least three Leonberger dogs from the same kennel. All dogs must have been registered and presented on the day of the show and must have received at least a 'GOOD' rating in the individual assessment or have been exhibited in the veteran class.

Offspring groups Competition

The offspring group comprises all offspring of a male or female dog. The group consists of such a male or female dog and at least five offspring of both sexes from at least two different litters. All dogs in a group must have received at least a 'GOOD' rating at a breed show, and at least two of the dogs presented must have been shown on the same day.

Pair class competition

Pair classes consist of a male and a female dog, which must be owned by one exhibitor. They must have received at least a 'GOOD' rating in the individual assessment on the same day or have been exhibited in the veteran class.
